

This list is for information only. There is no requirement upon applicants to either follow the design or format of these approved schemes or to use the consultants or contractors involved.

Organisation name	Scheme name	Grant Awarded	Target sector	Consultant	LA dwellings	HA dwellings	Academic buildings	Hospital buildings	Public buildings	New/Expand/Refurb	Is CHP included?	Main fuel	Description/Comments
Leicester City Council	Leicester City	2500	Mixed		0	0	0	0	0	0 Expansion	Yes	Biomass	
Barnsley MBC	Sheffield Road Flats, Stairborough and Wentworth Collge	3700	Residential		179	0	0	0	0	0 Refurbishment	No	Biomass	Have gained support from tenant farmers
Cherbury County Borough Council	New Treaders School	9800	Education		78	0	0	0	0	6 New	No		
City West Homes	Prinico District Heating Undertaking	8750	Mixed	PB Power	0	0	3	0	0	0 Expansion	Yes	Gas	Feasibility of connecting 3 schools and other buildings to existing scheme
Clack Housing Association	Regent Street/Trinity Street	3100	Residential		0	16	0	0	0	0 New	Yes	Gas	Investigate the proposed development and provide information to the local authority on the proposed development and provide information to the local authority on the proposed development.
Chelabak Housing Association	Regenerating Radnor (Chelabak)	5300	Mixed	Community Links	0	389	0	0	0	0 New	No	Renewables	Considering stakeholder involvement and electricity sales
Dorset County Council	The Purbeck Sports Centre and Secondary School	4900	Education		0	0	2	0	0	1 New	No		New heat network to serve schools and leisure centre
Eastleigh Borough Council	Land at Dower's Farm	6000	Mixed							New			Undertake feasibility study to install a community heating scheme to serve the primary school and housing.
Edinburgh University	George Square	4900	Education	PB Power	0	0	0	0	0	0	Yes		
Fyne Homes	Isle of Bute	6650	Residential	Encosult	0	517	0	0	0	0	No		
Glasgow University		6250	Education										
Hampshire County Council	Calshot Activity Centre	6000	Mixed		0	0	0	0	3	0	No		
High West Housing Association	MacDonald Court	10000	Residential		0	43	0	0	0	0 Expansion	Yes	Gas	
Fyne Homes		3600	Residential								Yes		
London Borough of Lambeth	William Bonney Estate, London Borough of Lambeth	10000	Residential		3	0	0	0	0	1 New	No		
London Borough of Lambeth Regeneration	Rougell Park Estate	9000	Residential								Yes	Gas	Investigation of direct electricity supplies to domestic consumers using an own wire network and to review current regulations relating to proposed installation of 600 kW CHP unit.
London Borough of Lambeth Regeneration	Rougell Park Estate	6000	Residential							Refurbishment	Yes	Gas	Investigation of the modifications required to a standard package CHP to make it suitable for connection to variable flow community heating systems.
London Borough of Tower Hamlets	St Georges Estate	11500	Residential		3	0	0	0	0	0 Expansion	Yes	Gas	
London Borough of Tower Hamlets	Balfour Tower	11170	Residential		146	0	0	0	0	0	No		
London Borough Southwark	Aylesbury Plus SRB area	21200	Residential							New	Yes	Gas	Carry out options appraisal of possibilities of establishing a CHP-based ESCO.
Loughborough University of Technology	Loughborough University East Park	16280	Education	AEA Technology	0	0	0	0	0	0	No		
Shropshire County Council	Caerobry Morimer	1960	Mixed		38	0	0	0	0	2 New	No	Wood chip	
Midlothian Council	Sheffield Local Plan area	125000	Mixed	PB Power							Yes		To investigate feasibility of integrating community energy systems with CHP, community heating etc.
North Port Talbot County Borough Council	Llandarcy, Briton Ferry, Baglan Bay	39711	Mixed										Development of ESCO with objective of providing, operating and administering the energy supply of 3 sites
Newcastle City Council	Forth Banks, Newcastle	49812	Mixed	PB Power	0	0	0	0	0	0 New	Yes		
Newcastle City Council	Byker Estate	10000	Residential		2000	0	0	0	0	0			The proposal is to investigate alternatives of heat provision including metering and electricity services in the form of an ESCO to serve approx 2000 dwellings.
North British Housing	Clayton Street - location	10000	Residential							New	Yes	Gas	Looking at the feasibility of using CHP in the new developments in Devenport
North British Housing	Berwell Grange - location	10000	Residential										Community Heating Scheme for 19 storey tower block
Oldham Metropolitan Borough Council	Edson St Housing Estate	10000	Residential		249	0	0	0	0	0	No		
Perthshire Housing Association	Kinnoul St (Rowanness)	2070	Residential		0	24	0	0	0	0 New			The site is a new build (24 unit) 4 storey development for affordable rented housing
Perthshire Housing Association	Victoria Street	2300	Residential		0	32	0	0	0	0 New			The site is a 4 storey development for 32 new build flat type dwellings. The dwellings will be of timber frame construction and incorporate high levels of insulation.
Rhylough City Council	Devenport Urban Village	10000	Mixed							New	Yes		Consider the broad applicability of CHP and other alternative sources of energy across Devenport and to a 12 storey building due for renovation.
Poolebrook Heating Development Ltd	Poolebrook Village	9700	Mixed		178	0	0	0	0	4 New	Yes	Landfill gas	Looking to sell electricity to Local Authority and local businesses
Powys County Council	Llandindod	7710	Residential		42	0	1	0	0	0 New	Yes	Wood chip	The concept is to research and report on the economic, technical and market feasibility of offering wood fuel district heating to a village (Llandindod) of 42 houses in a remote/forested valley in Powys.
Sidon CHS	Lambeth Demonstration House	5700	Mixed								Yes	Gas	As part of a project to convert an existing (listed) house into a number of flats and workshops. It is intended to evaluate the worth of installing CHP to provide space and water heating as well as electricity to a common supply point.
South Ayrshire Council	CHP Feasibility West Oaks	6600	Mixed										
South Ayrshire Council	Nos 1-34 Lichtenfels Gardens	6300	Residential										
South Yorkshire Forest Partnership	Earth Centre	12400	Mixed							New	Yes	Biomass	Construct a 1Mw CHP biomass unit on the Earth Centre site to serve 29 public buildings (schools, care centres, leisure centre and hospital).
Southampton City Council	Marchwood Incinerator	3750	Mixed							New		Energy from waste	Assess the feasibility of developing a community heating scheme using waste heat from the Marchwood Incinerator to residential communities of Marchwood, Totton and Milbrook
Southampton City Council	Milbrook Heating Scheme	10000	Mixed		3400	0	0	0	0	10 New		Geothermal	Development of the Milbrook heating scheme to serve initially 3,400 council homes and over 10 schools/council premises.
Southampton City Council	Mason Moss Primary School	3750	Education		0	0	1	0	0	0 Expansion	Yes	Gas/Biomass	Establish the feasibility of installing a biomass boiler or CHP plant at the school. Provide heating to the school and to other public buildings via a network of district heating distribution pipes.
The University of Glasgow	University of Glasgow Gilmoreshill Campus (North Campus)	9900	Education		0	0	1	1	5	5 Expansion	Yes	Gas	
Torrington DC	Torrington Pool and Great Torrington School Pool & School	8640	Mixed		0	0	1	0	0	1 New		Wood chip	Install a 1MW wood-chip fired boiler to supply heat network serving community school campus and swimming pool.
Bracknell Forest Borough Council	Bracknell town centre RE-generation	59500	Mixed	TV Energy	950	0	0	0	0	4 New community heating scheme	Yes	Biomass	
University Of Wolverhampton	MAMB boilerhouse (Project 1)	5200	Education							Refurbishment			Refurbishment of existing boilerhouses/distribution pipework and build new boilerhouse.
University Of Wolverhampton	MAMB boilerhouse (Project 2)	7200	Education							New	Yes	Gas	Build new plant room and replace existing heating distribution pipework. The plant room will provide power together with heating and cooling throughout the whole campus via CHP unit, high efficiency boiler plant and absorption chillers.
Warwickshire County Council	Camp Hill - location	10000	Residential	PB Power	620	0	0	0	0	0 New			The urban village is the largest regeneration project in Warks. It involves the redevelopment of over 450 occupied houses and their replacement with c 620 new homes, a new local centre and new infrastructure.
Westlea Housing Association		1000	Residential		0	380	0	0	0	0 New			380 units sheltered accom
Westlea Housing Association		1000	Residential		0	212	0	0	0	0 New			212 units general need flats
Westminster City Council	Prinico District Heating Undertaking	30300	Residential	PB Power						Expansion	Yes	Gas	Installation of CHP and new boilers to allow expansion of the Prinico District Heating Scheme and link it with Abbots Manor.
